

# 3. Environmental values and management of impacts

### 3. Environmental values and management of impacts

Chapters 4 to 16 provide environmental information relating to the Jilalan Rail Yard Upgrade. In accordance with the Terms of Reference the following chapters aim to:

- Describe the existing environmental values of the areas affected by the Project through reference to background information and studies.
- Describe the potential adverse and beneficial impacts of the Project on the identified environmental values, including analysis of any cumulative impacts.
- Present environmental protection objectives, standards and indicators.
- Propose viable strategies for managing or mitigating any negative impacts.
