EIS study team**

Appendix C

EIS Study Team

Name	Qualifications/ experience	EIS role
Stephen Cole Aurecon Principal (Environment and Planning)	Bachelor of Science, Macquarie University, 1986 Master of Urban and Regional Planning, University of Queensland, 1994 32 years' industry experience	Project Director
Adam Anderson Aurecon Principal (Environment and Planning)	Bachelor of Applied Science, Queensland University of Technology, 2002 16 years' industry experience	Project Leader
Dr Ailsa Kerswell Eco Logical Principal Environmental Consultant	BA, BSc (Hons) PhD, James Cook University, 2007 16 years' industry experience	Cumulative Impact Assessment
Andrew Buick Eco Logical Senior Environmental Consultant	Bachelor of Science (Honours), University of Adelaide, 1985 Masters Law, Management and Business ANU 2002 26 years' industry experience	Cumulative Impact Assessment
Andrew Craig Aurecon Senior Consultant (Environment and Planning)	Bachelor of Science, University of Queensland 1997 20 years' industry experience	Senior Ecologist
Ben Casillas-Smith Eco Logical Senior Environmental Scientist	Bachelor of Science (Honours), University of Western Australia 15 years' industry experience	Cumulative Impact Assessment
Ben Vardon Aurecon Senior Transport Planner (Infrastructure)	Bachelor of Architecture Master of Engineering (Civil and Transport) Senior Road Safety Auditor (TMR) 20 years' industry experience	Senior Transport Planner and Traffic Engineer
Binghui Li SLR Consulting Associate Consultant	Doctorate in Applied Science (Underwater Acoustics), Curtin University, 2010 9 years' industry experience	Underwater Noise Consultant
Brad Grant BMT WBM Principal Environmental Scientist	Bachelor in Environmental Science, Griffith University, 1994 17 years' industry experience	Water Quality Impact Assessment
Brendan Bennett Aurecon Pavement Engineer	Bachelor of Engineering (Civil), University of Pretoria, South Africa, 2013 5 years' industry experience	Pavement Engineer
Bronté Linkhorn Aurecon Consultant (Environment and Planning)	Bachelor of Arts, University of Otago, 2013 Master of Planning, University of Otago, 2015 4 years' industry experience	Social Impact Assessment Co-Author
Bruce Penman Aurecon Managing Principal (Environment and Planning)	Bachelor of Town Planning, University of New South Wales, 1980 Master of Environmental Studies, Macquarie University, 1990 37 years' industry experience	Technical Reviewer

Name	Qualifications/ experience	EIS role
Carsten Wolff Vision Environmental Senior Environmental Officer	Bachelor of Science, James cook University Coast, 1992 PhD (in prep), National University of Ireland 25 years' industry experience	Water Quality and Marine Ecology Consultant
Cassandra Arkinstall Aurecon Senior Consultant (Environment and Planning)	Bachelor of Environmental Science (Ecology) (1st Class Honours), University of Queensland, 2006 12 years' industry experience	Senior Ecologist
Dr Chris Schell Aurecon Manager (Environment and Planning)	Associate Diploma (Biochemical Technology) Bachelor of Science (Honours) PhD in Zoology 16 years' industry experience	Senior Ecologist
Corey Roderick Aurecon Principal (Environment and Planning)	Bachelor of Resource and Environmental Planning (Honours) Registered Planner, Planning Institute of Australia 21 years' industry experience	Principal Environmental Planner
Craig Morgan BMT WBM Senior Scientist	Bachelor of Environmental Science, Griffith University, 1980 Graduate Diploma of Environmental and Municipal Engineering, Queensland Institute of Technology, 1988 35 years' industry experience	Field Coordinator
Craig Witt BMT WBM Senior Principal Engineer	Bachelor of Civil Engineering, University of Queensland, 1977 Post Graduate Diploma in Hydraulic Engineering (Distinction), International Institute for Hydraulic and Environmental Engineering, Netherlands, 1983 42 years' industry experience	Coastal Processes Technical Reviewer
Dan Dent Aurecon Spatial Data Analyst	Bachelor of Technology in Geographical Information Systems, University of Southern Queensland 2001 Bachelor of Technology in Surveying, University of Southern Queensland 1995 Graduate Certificate in Geomatics, University of Southern Queensland 2007 Environmental Management, University of New South Wales 2009 25 years' industry experience	GIS Officer
Dr David Adams Aurecon Director	PhD, Australian National University 1987 Bachelor of Science (Honours), University of Queensland 1981 26 years' industry experience	Lead Economist
Felicity Melville Vision Environment Director	Bachelor of Science (Honours), University of Technology, Sydney, 1999 PhD, University of Technology, Sydney, 2006 19 years' industry experience	Water Quality and Marine Ecology Consultant
Gabby Singh Aurecon Consultant (Environment and Planning)	Bachelor of Urban and Environment Planning (Honours), Griffith University, 2016 Bachelor of Science (Environment), Griffith University, 2016 2 years' industry experience	Environmental Planner

Name	Qualifications/ experience	EIS role
Georgina Kerr Aurecon Senior Consultant (Environment and Planning)	Bachelor of Science (Environment), Griffith University, 2009 Bachelor of Science (Honours), Griffith University, 2010 8 years' industry experience	Senior Contaminated Land Consultant
Hayley Eske Aurecon Senior Consultant (Environment and Planning)	Bachelor of Urban and Environmental Planning, Griffith University, 2010 9 years' industry experience	Senior Environmental Planner
Dr Ian Teakle BMT WBM Principal Engineer	Bachelor of Civil Engineering (1 st Class Honours), University of Queensland, 1999 PhD (Coastal Engineering), University of Queensland, 2006 14 years' industry experience	Modelling Technical Reviewer
Dr Ian van Wijk Aurecon Technical Director	Bachelor of Engineering (Civil), University of Pretoria, South Africa, 1977 Bachelor of Science in Engineering (Civil) (Honours), University of Pretoria, South Africa, 1978 Master of Science in Civil Engineering, Purdue University, USA, 1982 PhD, Purdue University, USA, 1985 Registered Professional Engineer Queensland (RPEQ, 10477) Member of the Institution of Engineers Australia (3356096) 31 years' industry experience	Senior Pavement Engineer
Jane Stark Aurecon Associate (Environment and Planning)	Bachelor of Science (Marine Science) (Honours), University of the Sunshine Coast, 2006 Bachelor of Science (Environmental Science) Minor Marine/ Bachelor of Business with Double Minor in Marketing/Tourism, University of the Sunshine Coast, 2004 13 years' industry experience	Senior Ecologist
Jesper Nielsen BMT WBM Numerical Modeller	Bachelor of Civil Engineering (1 st Class Honours), University of Queensland, 2008 11 years' industry experience	Project Modeller
Johan Pronk Pro Dredging and Marine Consultants Dredging Consultant	Master in Civil Engineering, Delft University, Netherlands, 1975, 45 years' industry experience	Dredging Consultant
Kaitlin O'Neill-Mulcahy Aurecon Geotechnical Engineer	Bachelor of Civil and Geotechnical Engineering, University of Queensland, 2009 4 years' industry experience	Geotechnical Engineer
Kelli Anderson Vision Environment Senior Environmental Officer	Bachelor of Science (Honours), University of the Sunshine Coast, 2007 PhD, University of the Sunshine Coast, 2012 6 years' industry experience	Water Quality and Marine Ecology Consultant
Kor Kop Pro Dredging and Marine Consultants Senior Production and Research Engineer for Dredging	Bachelor of Science, Higher Technical College, Netherlands, 1969. 51 years' industry experience	Senior Dredging Engineer

Name	Qualifications/ experience	EIS role
Leesa Leathbridge Aurecon Senior Consultant (Environment and Planning)	Masters of Wildlife Management, Macquarie University, 2013 Bachelor of Environmental Science (Ecology) (Honours), University of Queensland, 2006 13 years' industry experience	Senior Ecologist
Leonie Andersen Vision Environment Director	Bachelor of Veterinary Science, University of Queensland, 1986 Master of Applied Science (research), CQUniversity, 2003 21 years' industry experience	Water Quality and Marine Ecology Lead Consultant
Lisa Smith Katestone Environmental Senior Consultant	Bachelor of Engineering, Chemical Engineering, University of Queensland, 1999 Master of Science, Environmental Management and Policy, Lund University, 2006 9 years' industry experience	Air Quality and Greenhouse Gas Impact Assessment Climate Change Impact Assessment
Louise Strogon Aurecon Associate (Environment and Planning)	Master of Science (City and Regional Planning), Cardiff University, 1996 Registered Planner, Royal Town Planning Institute 21 years' industry experience	Senior Environmental Planner
Marion Lawie Aurecon Manager (Communication and Stakeholder Engagement)	Bachelor of Arts, The University of Queensland, 1990 Master of Education, University of Southern Queensland, 1995 Graduate Diploma of Education, Queensland University of Technology, 1991 14 years' industry experience	Communication and Stakeholder Engagement Lead
Michel de Vos Underwater Consultants Senior Consultant	Bachelor of Engineering (Naval Architecture), Australian Maritime College, 1995 Graduate Diploma (Maritime and Logistics Management), University of Tasmania, 2015 21 years' industry experience	Dredging Advisor
Miles Yeates Eco Logical Principal Environmental Scientist	Bachelor of Science (Honours), University of Queensland, 1996 21 years' industry experience	Cumulative Impact Assessment
Mitch Gregory Aurecon Senior Consultant (Environment and Planning)	Bachelor of Environmental Management (Sustainable Development), University of Queensland, 2009 12 years' industry experience	Senior Environmental Scientist
Dr Nadira Barkatullah Aurecon Associate	Masters in Economics, Carnegie Mellon University, USA PhD in Economics, University of Sydney, Australia 21 years' industry experience	Associate Economist
Natalie Shaw Katestone Environmental Principal Consultant	Bachelor of Applied Science, Major in Chemistry, Minor in Mathematics, Queensland University of Technology, 1998 Masters of Applied Science, Queensland University of Technology, 2005 18 years' industry experience	Air Quality and Greenhouse Gas Impact Assessment

Name	Qualifications/ experience	EIS role
Nicholas Moore Aurecon Lead GIS specialist	ESRI ArcGIS Server Administration ESRI ArcGIS Server Advanced ESRI 3D Analyst ESRI Spatial Analyst 12 years' industry experience	GIS Officer
Dr Paul Guard BMT WBM Senior Coastal Modeller	Bachelor of Civil Engineering (1st Class Honours), University of Queensland, 2000 PhD (Coastal Engineering), University of Queensland, 2010 11 years' industry experience	Coastal Processes Impact Assessment and Lead Numerical Modeller
Dr Oliver Robertson Aurecon Senior Consultant (Environment and Planning)	Bachelor of Science (Zoology), University of Melbourne, 2005 Bachelor of Environmental Science (Honours), Deakin University, 2007 Philosophy Doctorate (Landscape Ecology), University of Queensland, 2014 6 years' industry experience	Senior Ecologist
Prakash Hewavitharana Aurecon Consultant (Environment and Planning)	Bachelor of Environmental Management (Sustainable Development), University of Queensland, 2017 1 years' industry experience	Graduate Environmental Scientist
Ralph Alquezar Vision Environment Senior Environmental Officer	Bachelor of Science (Honours), University of Technology, Sydney, 1998 PhD, University of Technology, Sydney, 2007 19 years' industry experience	Water Quality and Marine Ecology Consultant
Regine Bernardo Aurecon Consultant (Digital Advisory)	Associate Degree in Civil Engineering 9 years' industry experience	GIS Officer
Rich Pidgeon Aurecon Principal (Environment and Planning)	Bachelor of Science (Ecology and Conservation Biology), Griffith University, 2003 15 years' industry experience	Environment and Heritage Advisor
Sarah Stone Aurecon Senior Consultant (Environment and Planning)	Bachelor of Applied Science - Animal Studies (specialising in Wildlife Biology), University of Queensland, 2009 Diploma of Applied Science - Wilderness Reserves and Wildlife, University of Queensland, 2002 10 years' industry experience	Senior Ecologist
Shannah Brown Aurecon Associate	Bachelor of Science (Marine Biology and Aquatic Ecology), James Cook University, 1998. Post Graduate Certification Ecology, James Cook University, 2002. 20 years' industry experience	Senior Environmental Scientist
Simon Welchman Katestone Environmental Director	Bachelor of Engineering (Environmental), University of Queensland, 1994 21 years' industry experience	Air Quality and Greenhouse Gas Impact Assessment Climate Change Impact Assessment

Name	Qualifications/ experience	EIS role
Sophie Richards Aurecon Manager (Digital Advisory)	Bachelor of Applied Science, Multimedia Cartography, RMIT University, 2005 Master of Science, Geospatial Information Science, Curtin University of Technology, 2013 Stanford University, Data Science Intensive Study Program, 2018 Master of Business Administration (Leadership Major), Curtin University of Technology, completion October 2019 13 years' industry experience	GIS Officer
Steven Ettema BMT WBM Numerical Modeller	Bachelor of Civil Engineering (1 st Class Honours), University of Queensland, 2014 5 years' industry experience	Project Modeller
Steven Walker SLR Consulting Principal Consultant	Bachelor of Science, Portsmouth University, 1999 Master of Science, Environmental Impact Assessment, Greenwich University, 2000 Postgraduate Diploma, Acoustics and Noise Control, NESOCOT, 2006. 18 years' industry experience	Terrestrial Noise and Vibration Consultant
Tania Haigh Katestone Environmental Consultant	Bachelor of Science (Physics) Massey University, 2006 Master of Science (Physics) Massey University, 2008 Master of Philosophy (Physics) University of Queensland, 2008 6 years' industry experience	Air Quality and Greenhouse Gas Impact Assessment
Tim Murphy Aurecon Environmental Scientist	Bachelor of Science (Environmental Science), University of the Sunshine Coast, 2006 12 years' industry experience	Senior Environmental Scientist
Trina Spadaro Aurecon Senior Administration Assistant (Environment and Planning)	Certificate III Business Electronic Information Processing, 1989 27 years' industry experience	Senior Reviewer
Vanessa Davis Aurecon Senior Consultant (Environment and Planning)	Bachelor of Regional and Town Planning, 2006 University of Queensland Post Graduate Certificate Social Impact Assessment, 2016 Macquarie University 12 years' industry experience	Social Planner
Whitney Adam Aurecon Senior Consultant (Environment and Planning)	Bachelor of Planning (Honours), University of Auckland, 2008 12 years' industry experience	Senior Environmental Planner
Zoe Bishop-Kinlyside Aurecon Manager (Environment and Planning)	Bachelor of Urban and Environmental Planning, Griffith University, 2008 Bachelor of Science (Environment), Griffith University, 2008 12 years' industry experience	Senior Environmental Planner
