## A Bill

for

**An Act to provide for matters that will benefit residents of communities in the vicinity of large resource projects during their operation, and to amend this Act, the *Anti-Discrimination Act 1991* and the *Mineral Resources Act 1989* for particular purposes**

---

[s 1]

---

**The Parliament of Queensland enacts—** 1

**Part 1 Preliminary** 2

**1 Short title** 3

This Act may be cited as the *Strong and Sustainable Resource Communities Act 2016*. 4  
5

**2 Commencement** 6

This Act, other than part 3, division 3, commences on a day to 7  
be fixed by proclamation. 8

**3 Object of Act** 9

(1) The object of this Act is to ensure that residents of 10  
communities in the vicinity of large resource projects benefit 11  
from the operation of the projects. 12

(2) The object is mainly achieved by requiring the owners of, or 13  
proponents for, large resource projects— 14

(a) to prepare a social impact assessment for the projects; 15  
and 16

(b) to employ people from nearby regional communities; 17  
and 18

(c) not to discriminate against residents from nearby 19  
regional communities when employing for the projects. 20

**4 Act binds all persons** 21

(1) This Act binds all persons, including the State. 22

(2) However, nothing in this Act makes the State liable to be 23  
prosecuted for an offence. 24

<b>5</b>	<b>Definitions</b>	1
	The dictionary in schedule 1 defines particular words used in this Act.	2 3
<b>Part 2</b>	<b>Provisions for the benefit of residents of communities in the vicinity of large resource projects</b>	4 5 6 7
<b>6</b>	<b>Prohibition on 100% fly-in fly-out workers for large resource projects</b>	8 9
(1)	This section applies to the owner of a large resource project that has a nearby regional community for which either of the following happens—	10 11 12
(a)	a proponent makes a public notification about the draft EIS for the project under the <i>State Development and Public Works Organisation Act 1971</i> , section 33(1);	13 14 15
(b)	a proponent publishes an EIS notice for the project under the <i>Environmental Protection Act 1994</i> , section 51(2)(b).	16 17 18
(2)	The owner must not employ a workforce for the operational phase of the project that comprises 100% of workers who are fly-in fly-out workers.	19 20 21
(3)	The owner is taken to contravene subsection (2) whether it is the owner, a related body corporate of the owner, or an agent of the owner or related body corporate, that employs the workforce for the project.	22 23 24 25
<b>7</b>	<b>Prohibition on 100% fly-in fly-out workers for large resource projects taken to be an enforceable condition</b>	26 27
	The requirement mentioned in section 6(2) for a large resource project to which section 6 applies is taken to be an enforceable condition for the project under the <i>State</i>	28 29 30

	<i>Development and Public Works Organisation Act 1971,</i>	1
	section 157A.	2
<b>8</b>	<b>Offence relating to advertising or document about recruitment for large resource project</b>	3 4
(1)	This section applies to the owner of a large resource project that has a nearby regional community for which either of the following happened, or happens, after 30 June 2009—	5 6 7
(a)	the Coordinator-General publicly notified, or publicly notifies, the report evaluating the EIS for the project under the <i>State Development and Public Works Organisation Act 1971</i> , section 34D(4)(b);	8 9 10 11
(b)	the chief executive gave, or gives, the proponent an EIS assessment report about the submitted EIS for the project under the <i>Environmental Protection Act 1994</i> , section 57(2).	12 13 14 15
(2)	The owner must not—	16
(a)	advertise positions for workers for the project in a way that prohibits residents of the nearby regional community for the project from applying for the positions; or	17 18 19 20
(b)	otherwise state, in any way in a document, that residents of the nearby regional community for the project are not eligible to be workers for the project.	21 22 23
	Maximum penalty—400 penalty units.	24
(3)	The owner is taken to contravene subsection (2) whether it is the owner, a related body corporate of the owner, or an agent of the owner or related body corporate, that does a thing mentioned in subsection (2).	25 26 27 28
<b>9</b>	<b>Requirement for owner of, or proponent for, large resource project to prepare a social impact assessment</b>	29 30
(1)	This section applies to the owner of, or proponent for, a large resource project for which either of the following happens—	31 32

- 
- (a) the proponent makes a public notification about the draft EIS for the project under the *State Development and Public Works Organisation Act 1971*, section 33(1);
- (b) the proponent publishes an EIS notice for the project under the *Environmental Protection Act 1994*, section 51(2)(b).
- (2) The owner or proponent must, as part of the EIS for the project, prepare a social impact assessment that—
- (a) provides for the matters mentioned in subsection (3); and
- (b) includes the matters stated in the guideline made under subsection (4).
- (3) The social impact assessment must provide for the following in relation to the project—
- (a) community and stakeholder engagement;
- (b) workforce management;
- (c) housing and accommodation;
- (d) local business and industry procurement;
- (e) health and community well-being.
- (4) For the matters mentioned in subsection (3), the Coordinator-General may make a guideline stating the details that must be included in a social impact assessment and publish the guideline on the department’s website.
- (5) In preparing the social impact assessment under subsection (2), the owner or proponent must consult with the local government for the local government area in which the large resource project is situated.
- 10 Requirement for social impact assessment for large resource projects under the *Environmental Protection Act 1994***
- (1) This section applies to the owner of, or proponent for, a large resource project for which an EIS notice has been published

	under the <i>Environmental Protection Act 1994</i> , section 51(2)(b) after the commencement.	1 2
(2)	For the following provisions of the <i>Environmental Protection Act 1994</i> , the chief executive of the department administering that Act may allow the EIS to proceed only if the Coordinator-General has advised that the social impact assessment for the project may proceed—	3 4 5 6 7
	(a) sections 49 and 49A;	8
	(b) sections 56A and 56AA.	9
<b>11</b>	<b>Coordinator-General may state conditions to manage the social impact of large resource projects generally</b>	10 11
(1)	This section applies to a large resource project for which either of the following happens—	12 13
	(a) a proponent makes a public notification about the draft EIS for the project under the <i>State Development and Public Works Organisation Act 1971</i> , section 33(1);	14 15 16
	(b) a proponent publishes an EIS notice for the project under the <i>Environmental Protection Act 1994</i> , section 51(2)(b).	17 18 19
(2)	The Coordinator-General may, as part of the EIS for the project, state conditions to manage the social impact of the project.	20 21 22
(3)	If the large resource project is a project for which the proponent has published an EIS notice under the <i>Environmental Protection Act 1994</i> , section 51(2)(b)—	23 24 25
	(a) the stated conditions are taken to be enforceable conditions for the project under the <i>State Development and Public Works Organisation Act 1971</i> , section 157A; and	26 27 28 29
	(b) the Coordinator-General must give a copy of the stated conditions to—	30 31

- 
- (i) the chief executive of the department in which the *Environmental Protection Act 1994* is administered; and 1  
2  
3
- (ii) the proponent for the project; and 4
- (c) the proponent for the project may apply to the Coordinator-General to change a stated condition; and 5  
6
- (d) if the proponent makes an application under paragraph (c)— 7  
8
- (i) the *State Development and Public Works Organisation Act 1971*, part 4, division 3A, applies to the application; and 9  
10  
11
- (ii) the application must be accompanied by the fee prescribed by regulation. 12  
13
- (4) Neither the Land Court nor the Planning and Environment Court has jurisdiction in relation to conditions stated under subsection (2). 14  
15  
16
- 12 Coordinator-General may nominate large resource project as a project for which persons employed during construction phase are workers for this Act** 17  
18  
19
- The Coordinator-General may, as part of the EIS for the project, nominate a large resource project as a project for which a person employed during the construction phase of the project is a worker for this Act. 20  
21  
22  
23
- 13 Publication of details of nearby regional communities and large resource projects** 24  
25
- The Coordinator-General must publish the following on the department's website for each large resource project mentioned in section 6 or 8— 26  
27  
28
- (a) the name of each nearby regional community for the large resource project; 29  
30
- (b) the name of the large resource project and the date the operational phase of the project started; 31  
32

	(c) the name of the owner of the large resource project;	1
	(d) if the ownership of the large resource project changes, the name of the new owner, the previous owner and the date ownership changed;	2 3 4
	(e) if the project has been nominated under section 12, details of the nomination.	5 6
<b>14</b>	<b>Owner of large resource project must advise Coordinator-General of particular matters</b>	7 8
	The owner of a large resource project that has a nearby regional community must immediately give the Coordinator-General written notice of the following—	9 10 11
	(a) the start of the operational phase of the project, including the date it started;	12 13
	(b) any change of ownership of the project, including the name of the new owner, the previous owner and the date ownership changed.	14 15 16
<b>15</b>	<b>Regulation-making power</b>	17
	(1) The Governor in Council may make regulations under this Act.	18 19
	(2) A regulation may be made about the following—	20
	(a) the fees payable under the Act;	21
	(b) imposing a penalty for a contravention of a provision of a regulation of no more than 20 penalty units.	22 23

<b>131C Prohibition on discrimination against persons in nearby regional communities in relation to work on large resource projects</b>	1 2 3
(1) This section applies to the owner, or the principal contractor, of a large resource project that has a nearby regional community for which either of the following happened, or happens, after 30 June 2009—	4 5 6 7 8
(a) the Coordinator-General publicly notified, or publicly notifies, the report evaluating the EIS for the project under the <i>State Development and Public Works Organisation Act 1971</i> , section 34D(4)(b);	9 10 11 12 13
(b) the chief executive of the department in which the <i>Environmental Protection Act 1994</i> is administered gave, or gives, the proponent an EIS assessment report about the submitted EIS for the project under the <i>Environmental Protection Act 1994</i> , section 57(2).	14 15 16 17 18 19 20
(2) The owner or principal contractor must not—	21
(a) discriminate against a resident of the nearby regional community when recruiting workers for the project; or	22 23 24
(b) discriminate against a worker by terminating the worker’s employment because the worker is, or becomes, a resident of the nearby regional community and chooses to travel to the project other than as a fly-in fly-out worker.	25 26 27 28 29 30
(3) The owner is taken to contravene subsection (2) whether it is the owner, a related body corporate of the owner, or an agent of the owner or related body corporate, that discriminates against a resident or worker.	31 32 33 34 35
(4) The principal contractor is taken to contravene	36

[s 19]

---

subsection (2) whether it is the principal 1  
contractor, a related body corporate of the 2  
principal contractor, or an agent of the principal 3  
contractor or related body corporate, that 4  
discriminates against a resident or worker. 5

(5) For subsections (2)(a), (3) and (4), a person is 6  
taken to discriminate against a resident of the 7  
nearby regional community if— 8

(a) the person is recruiting workers for the 9  
project; and 10

(b) the resident is not offered work on the 11  
project, or is disadvantaged in the 12  
recruitment process for the project, because 13  
of being a resident of the nearby regional 14  
community. 15

(6) If the principal contractor contravenes this 16  
section, both the owner and principal contractor 17  
are jointly and severally civilly liable for the 18  
contravention, and a proceeding under the Act 19  
may be taken against either or both of them. 20

**131D Provisions of this Act that do not apply for 21  
this chapter 22**

Sections 9, 10, 11, 124, 132, 133, 204 and 205 do 23  
not apply for this chapter. 24

**131E Burden of proof—general principle 25**

(1) For this chapter, it is for the complainant to prove, 26  
on the balance of probabilities, that the 27  
respondent contravened a provision of the 28  
chapter. 29

(2) However, this section applies subject to section 30  
131F. 31

---

<b>131F Reason for action to be presumed unless proved otherwise</b>	1 2
(1) This section applies if a complaint about discrimination under this chapter alleges that—	3 4
(a) the complainant was not offered work during recruitment for a large resource project because the complainant was a resident of a nearby regional community for the project; or	5 6 7 8 9
(b) the complainant’s employment on a large resource project was terminated because the complainant was, or became, a resident of a nearby regional community for the project and chose to travel to the project other than as a fly-in fly-out worker.	10 11 12 13 14 15
(2) It is presumed the action mentioned in subsection (1)(a) or (b) was taken for the alleged reason, unless the respondent proves otherwise.	16 17 18
<b>131G Evidentiary aid</b>	19
In a proceeding about discrimination mentioned in section 131C, the matters published under the <i>Strong and Sustainable Resource Communities Act 2016</i> , section 13 are evidence of the matters.	20 21 22 23
