

Appendix E  
CLIMATE DATA

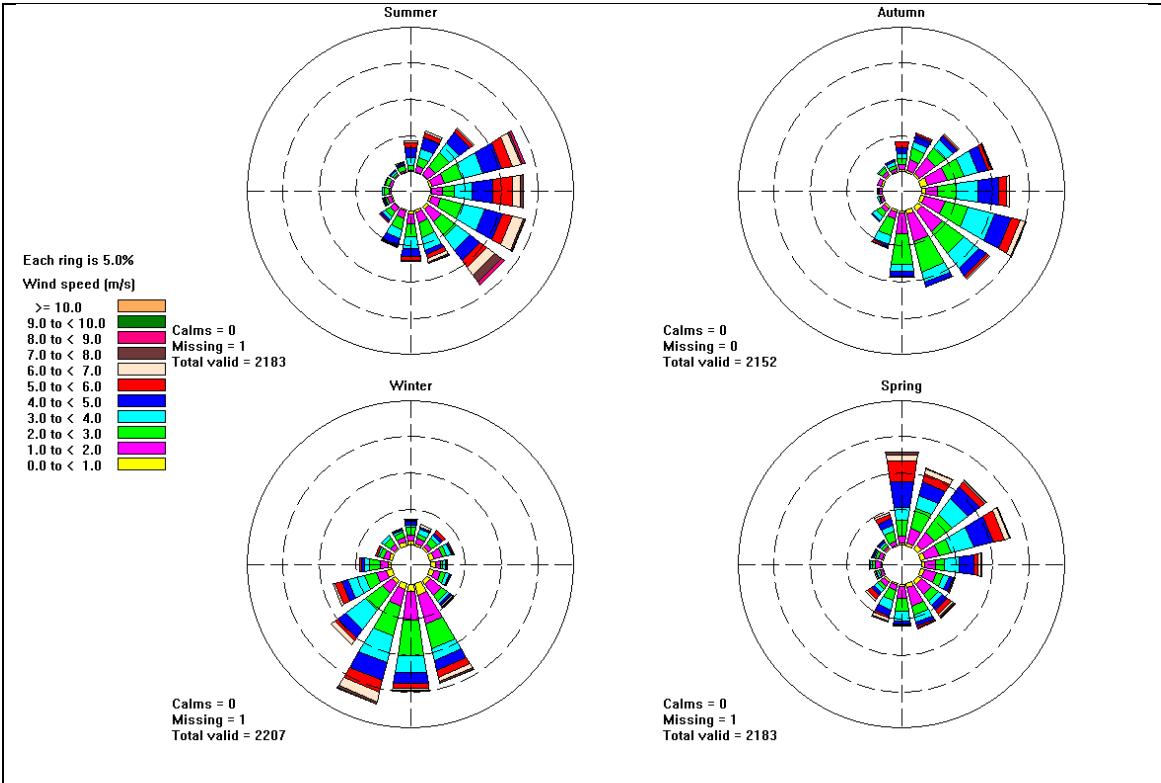

**Figure 1** Wind rose for all hours at Wandoan

Location: Wandoan	Period: April 2007 to March 2008	Data source: Observed data	Units: Metres per second
Type: Wind rose	8725 hourly average records	Prepared by: Kim Henville	Date: 26/06/08

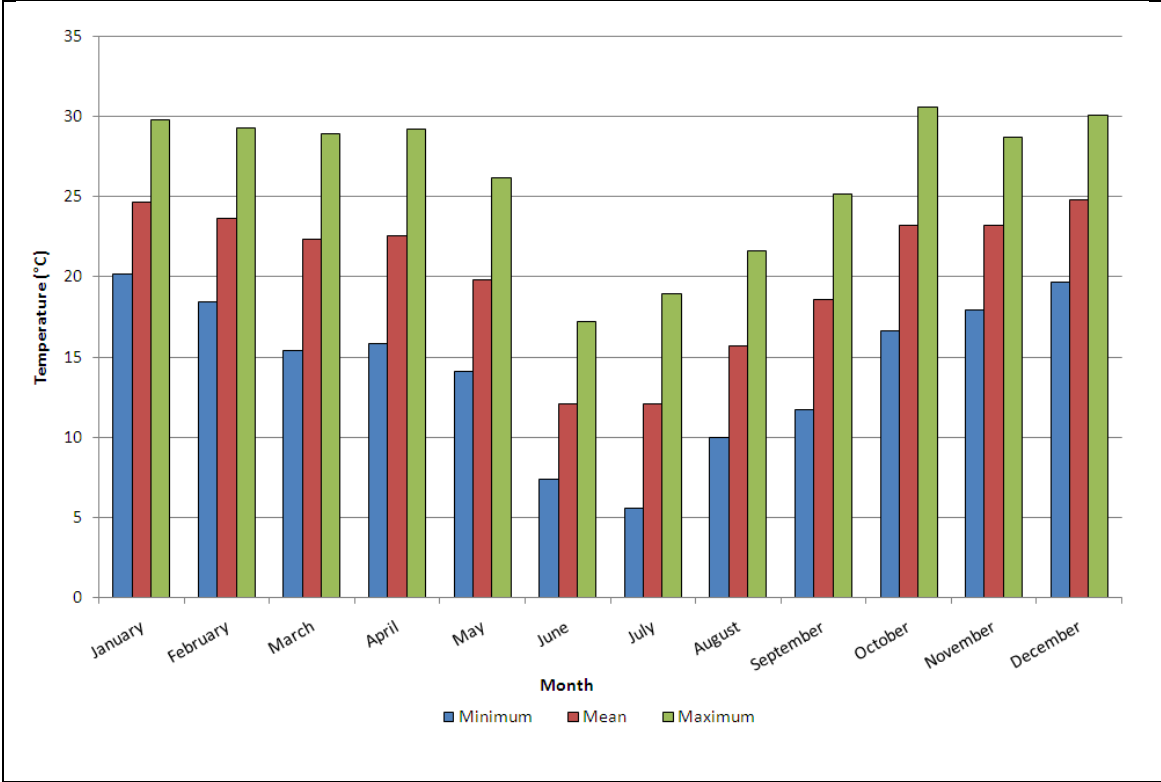

**Figure 2** Wind rose according to time of day at Wandoan

Location: Wandoan	Period: April 2007 to March 2008	Data source: Observed data	Units: Metres per second
Type: Wind rose	8725 hourly average records	Prepared by: Kim Henville	Date: 26/06/08

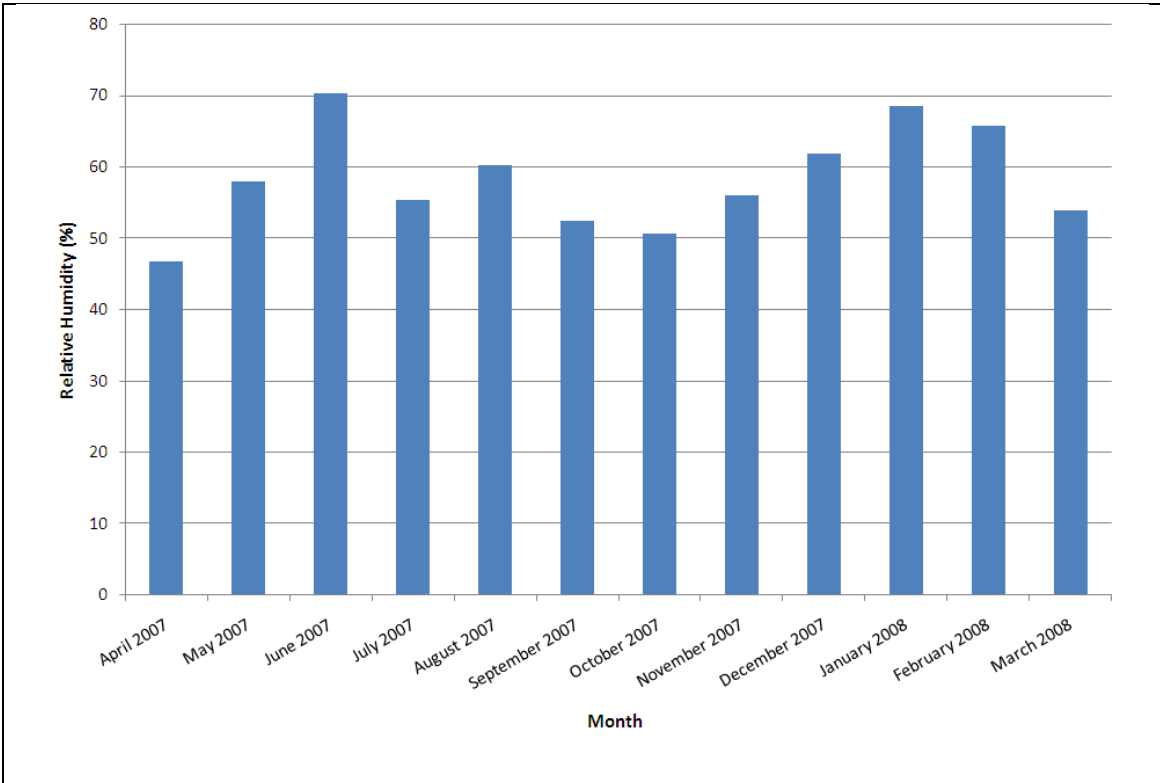

**Figure 3** Seasonal wind rose at Wandoan

Location: Wandoan	Period: April 2007 to March 2008	Data source: Observed data	Units: Metres per second
Type: Wind rose	8725 hourly average records	Prepared by: Kim Henville	Date: 26/06/08

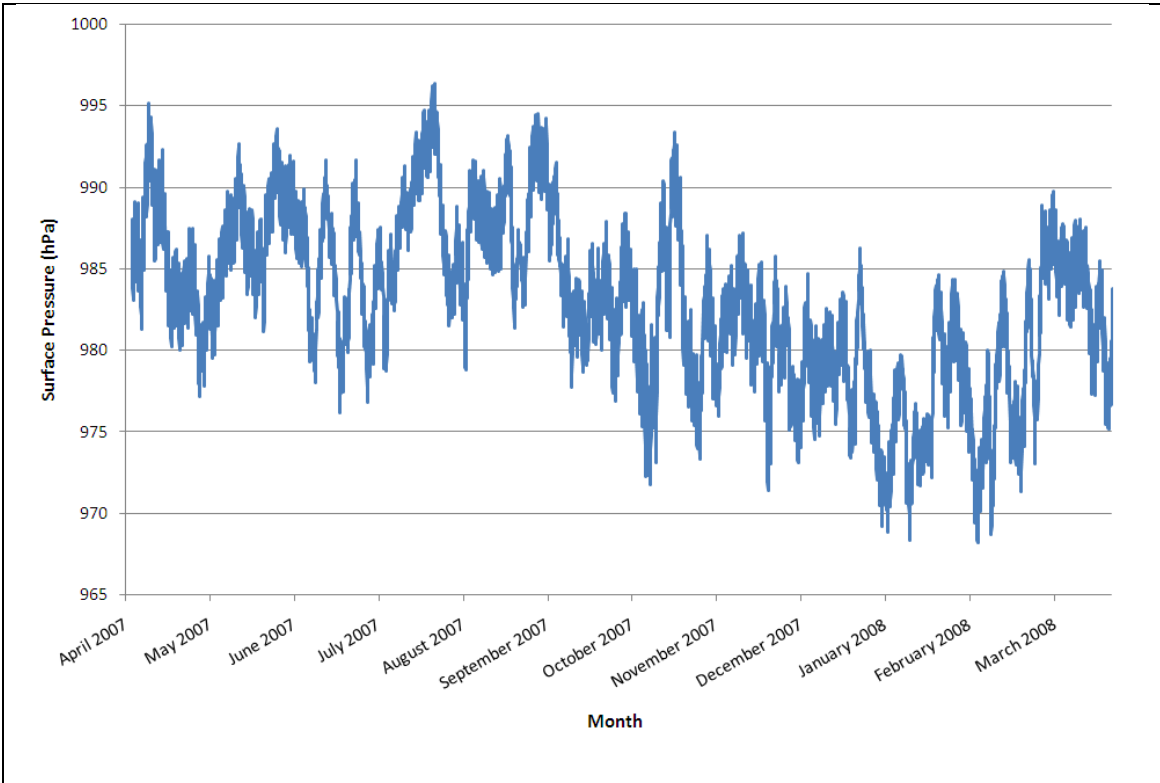

**Figure 4** Temperature variation at Wandoan

Location: Wandoan	Period: April 2007 to March 2008	Data source: Observed data	Units: °C
Type: Temperature chart	12 monthly average records	Prepared by: Kim Henville	Date: 26/06/08

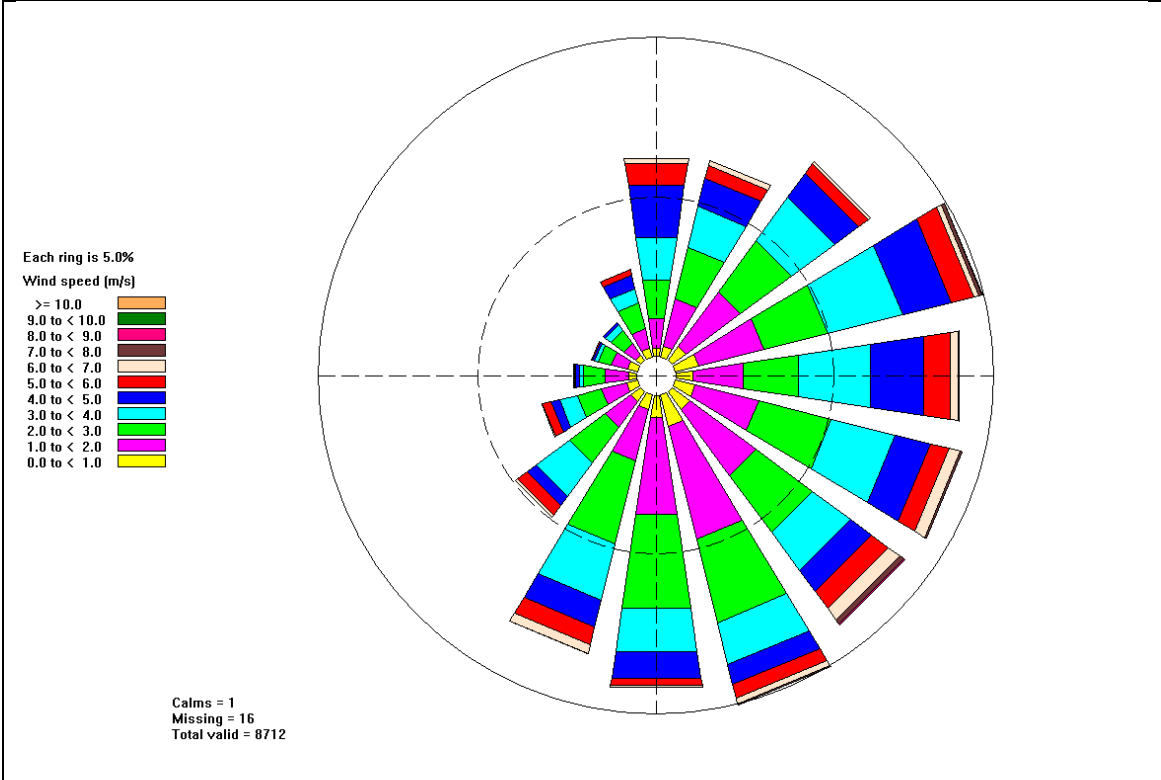

**Figure 5** Variation in relative humidity at Wandoan

Location: Wandoan	Period: April 2007 to March 2008	Data source: Observed data	Units: %
Type: Relative humidity chart	12 monthly average records	Prepared by: Kim Henville	Date: 18/07/08

**Figure 6** Surface pressure variation at Wandoan

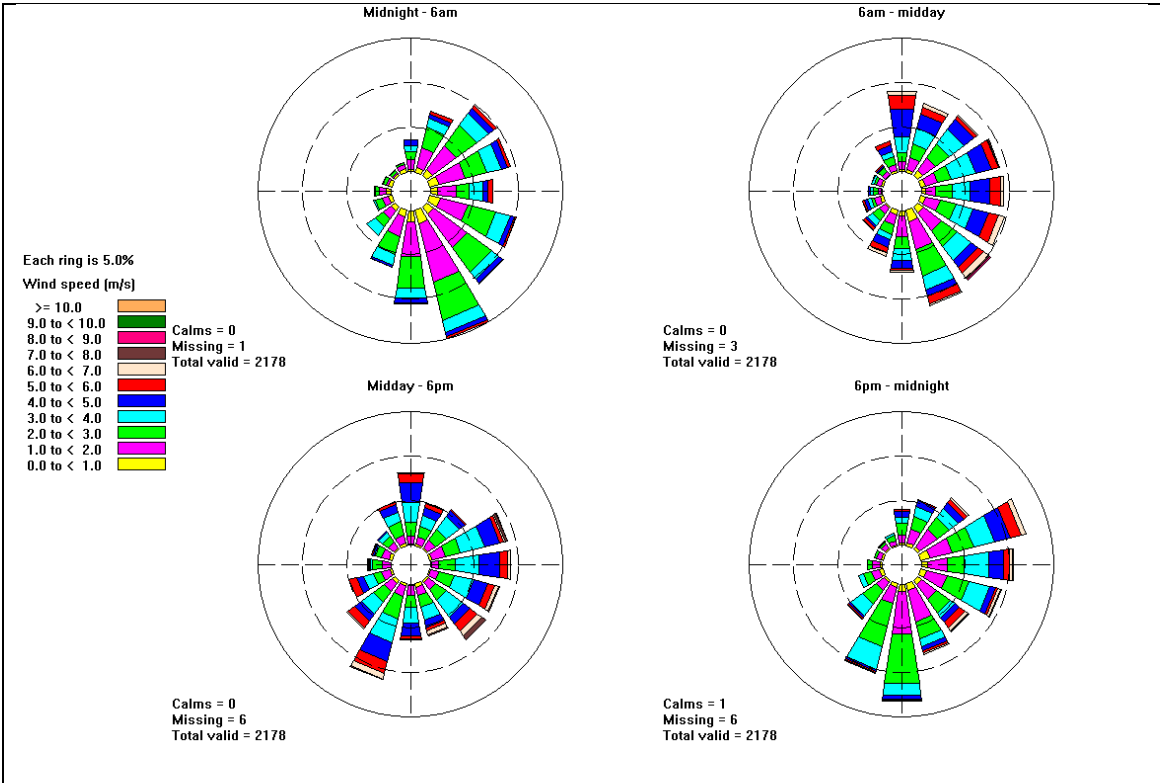

Location: Wandoan	Period: April 2007 to March 2008	Data source: Observed data	Units: hPa
Type: Pressure chart	12 monthly average records	Prepared by: Kim Henville	Date: 18/07/08

**Figure 7** Wind rose for all hours for the Wandoan CALMET meteorological file

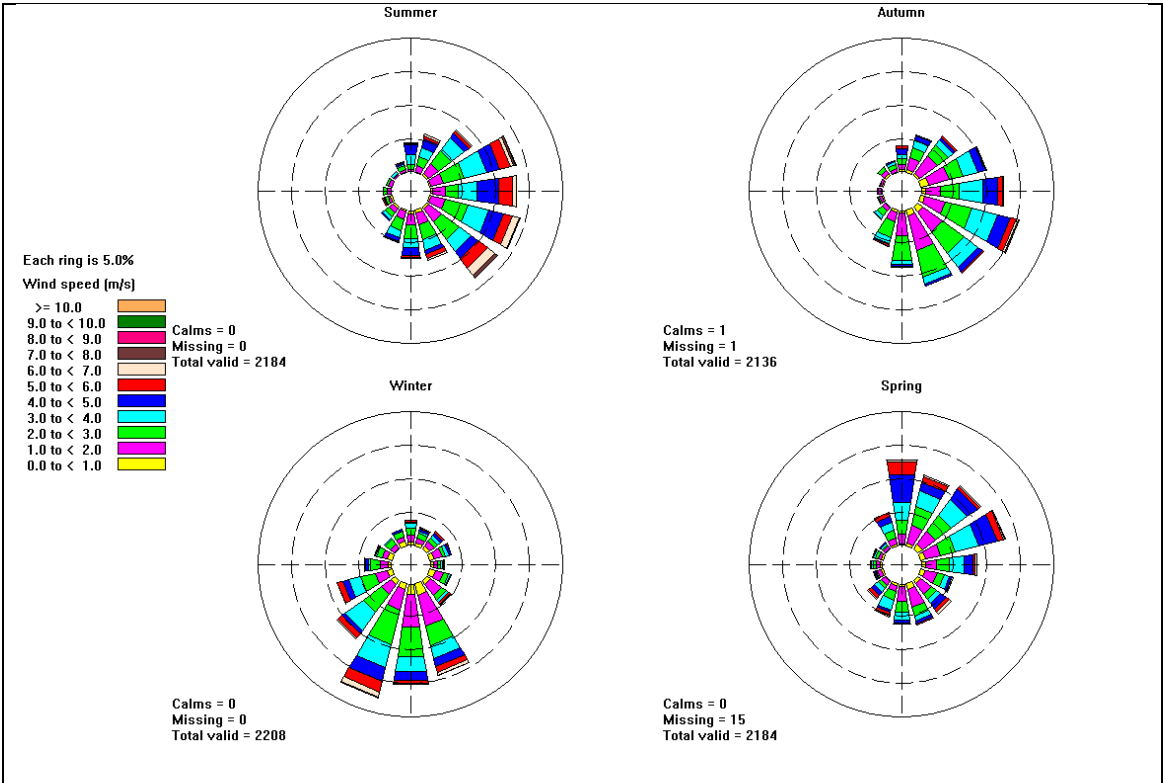

Location: Wandoan	Period: April 2007 to March 2008	Data source: CALMET	Units: Metres per second
Type: Wind rose	8712 hourly average records	Prepared by: Kim Henville	Date: 18/07/08

**Figure 8** Wind rose according to time of day for the Wandoan CALMET meteorological file

Location: Wandoan	Period: April 2007 to March 2008	Data source: CALMET	Units: Metres per second
Type: Wind rose	8712 hourly average records	Prepared by: Kim Henville	Date: 18/07/08

**Figure 9** Seasonal wind rose for the Wandoan CALMET meteorological file

Location: Wandoan	Period: April 2007 to March 2008	Data source: CALMET	Units: Metres per second
Type: Wind rose	8712 hourly average records	Prepared by: Kim Henville	Date: 18/07/08
