

20 CULTURAL HERITAGE

For the purposes of the ease of discussion Chapters 20A Indigenous cultural heritage and 20B Non-Indigenous cultural heritage have been presented in two separate sub chapters.

Chapter 20A Indigenous cultural heritage discusses the Indigenous cultural heritage elements of the existing environment and the potential impact and mitigation measures. Issues associated with future actions by the Proponent are also outlined.

Chapter 20B Non-Indigenous cultural heritage discusses non-Indigenous cultural heritage elements of the existing environment and the potential impact and mitigation measures.
