

### **3 TOPOGRAPHY AND GEOMORPHOLOGY**

#### **3.1 INTRODUCTION**

This chapter provides responses to submissions received on the Queensland Curtis LNG (QCLNG) Project draft EIS related to topography and geomorphology of the Gas Field Component.

Where changes to the project description, as detailed in *Volume 2, Chapter 7* and *Chapter 11*, have impacted topography and geomorphology, these impacts, and measures to mitigate impacts are described.

#### **3.2 RESPONSES TO SUBMISSIONS**

No submissions were received on the Project's impact on topography and geomorphology.

#### **3.3 CHANGES TO PROJECT DESCRIPTION**

Changes to the Project description do not result in a change to the assessment of the impacts on topography and geomorphology.
